Manifest of values

Forces on sovereign orders

Preamble

We are the family of forces on a sovereign mission of the Federal Republic of Germany and all liberal countries. We stand side by side.

Article 1

We act according to the motto "Semper Communis", because only the community makes us strong.

Article 2

We, the signatories, live unchangeable core values.

- ♦ *We are committed to humanity and respect for human dignity.*
- ♦ *For us camaraderie and collegiality are a tremendous asset.*

This is permanent and does not end with the active service period.

Article 3

We care for each other and help each other when we are in need. Nobody should be left alone.

Article 4

We honor our dead. Nobody should be forgotten. We accompany and support the bereaved.

Article 5

Our loyalty rests on three pillars.

- ♦ *Our allegiance to the state*
- ♦ *The contents of our oath are permanently binding*
- ♦ *Honor is a claim of respect earned through service rendered*

Article 6

We live and shape our culture actively.

- ♦ *We cultivate camaraderie through regular joint events*
- ♦ *We provide help directly, individually and according to needs*
- ♦ *Wherever possible, we communicate the current situation of the forces on sovereign orders and use our networks for appropriate lobbying in the interest of our community and our goals*
- ♦ *We are engaged in public relations to improve the bond and relationship between society and the forces on sovereign orders sustainably*
- ♦ *We commemorate our fallen and those who died on official duty at the memorials*

Article 7

We allude those who are responsible to their responsibility.

- ♦ *We demand the best possible protection for our forces on sovereign orders*
- ♦ *We demand that the employer fulfills his obligations towards us in its entirety*
- ♦ *We demand that all parliamentarians stand up for our interests uncompromisingly*

Article 8

We offer help to those forces on sovereign orders who are in need and their families. Scope and quality of advice, guidance and support grow with our collective strength. The larger we get, the more varied our help should be.

Faithfully served – Loyalty earned – Experience fidelity

Article 9

We shake hands with all domestic and foreign organizations, as long as they respect the articles of this manifest. We want to create an international network of camaraderie, collegiality and solidarity for our welfare.

Through close cooperation we will participate in available capabilities.

Article 10

We are part of society and want to be able to live in this society with our special operational experiences without justification.

We serve the society on sovereign orders. Society should recognize us, as representatives of those who were on duty on a sovereign mission.

Closing sentence

People who risk their lives and limbs for their nations on sovereign orders, deserve particular social and political respect.

We, the signatories, reject extremism of any kind.
